Families with Children Infant through Kindergarten

Young Family Service from 9:15 to 10:15 a.m.

The Young Family Service for Rosh Hashanah and Yom Kippur mornings is full of story-telling and singing...and parade with plush Torahs and Shofar blowing for our youngest congregants! Fun for non-readers and older siblings, this service is led by Rabbi Julie. We welcome non-member friends and family to join us.

Indoor Play Area

On the first floor of the school wing, playrooms for families with young children will be open. Parental supervision is required. During Rosh Hashanah, we will be hosting the **Rosh Roasters Coffee Spot** in the open space outside the preschool director's office near these classrooms. Snacks will be available for children.

Tashlich on Rosh Hashanah Day 1 at 6:00 p.m.

A fun family experience! Bring some bread and meet in the cul-de-sac behind synagogue for a symbolic "tossing" of our transgressions into the Rahway River.

Nursing Room

The preschool library on the first floor of the school wing (near doors to playground) is available for nursing mothers looking for privacy.
