For Our Safety ...

The picnic will take place outside on the lawn and parking lot.

Please bring blankets, lawn chairs, portable table, etc. for your family. There will also be tables and chairs available for those who cannot sit comfortably on the lawn.

We'll supply fresh grilled hamburgers, hot dogs & veggie burgers.

All sides and condiments will be pre-packaged. Bottled water and juice boxes will be available, but we encourage you to bring your own drinks, too.

Social distancing guidelines will be followed.

Face masks must be worn when not eating. Blankets and tables need to be set up at least six feet apart from each other.
