

High Holiday Services – 2020/5781 - Congregant RSVP Form

As we approach the High Holidays, and get closer to finalizing plans, we are excited that we will be able to offer a hybrid approach for our High Holiday services, with a combination of live-streaming, online video recordings, outdoor services, and also services in the CBI building with a limited number of congregants. For a full list of services, times, and locations, please see the enclosed High Holiday Schedule.

Please read this entire letter even if you are not planning to come into the building, as we need information from every congregant for both indoor and outdoor services. We need to know the number of people coming to both outdoor and indoor services, to comply with COVID-19 guidelines. Admission to each indoor service will require a ticket issued for that specific service.

Our **assignment of tickets for indoor services will be based solely on your response to this RSVP form**. To maximize safety, indoor services will be limited to members and children of members who are included in their family membership, and who will have been living at home for at least 2 weeks prior to any service they attend. Extended family members are very welcome to attend any of our outdoor services.

For each response, we need to know exact numbers. Please submit only ONE RSVP form per FAMILY. We request that you submit your response **no later than September 1**.

NAME: _____ **We would appreciate your providing your name and returning this form, whether you are planning on attending any services in person or not.**
