
The *Ethical* Life

JEWISH VALUES IN AN AGE OF CHOICE

A COURSE IN JEWISH ETHICS FROM  JTS

With Rabbi Ari Isenberg

From political and financial scandals to rapid progress in biomedical science and technology, the complex issues of modern society are, at their core, issues of ethical and moral concern. Now, more than ever, we require a solid understanding of how Jewish ethics can inform our discussions and decisions about the critical questions of the day.

Each session of *The Ethical Life* includes a short video lecture featuring JTS faculty members and other expert scholars, text study, and guided group discussion led by Rabbi Isenberg. Join us for this unique opportunity to study the sources of Jewish ethics in their original and learn how we can apply them today.
