WHY DOES CBI NEED OUR SUPPORT RIGHT NOW?

COVID-19 has substantially impacted CBI.

CBI has been challenged to think outside the box, combining ingenuity, creativity, and innovative technology to strengthen our sense of community and to support our members.

We have modified every aspect of CBI's operations to meet the pandemic challenges.

Our clergy and professional team have worked tirelessly to ensure CBI remains a center for healing, hope, prayer, connection and sustenance for all of us.

For CBI to be there for us,
we need to be there for CBI.

A legacy of caring... for the Jewish community.
