

2021 HIGH HOLIDAY TICKET INFORMATION 5782

As part of your membership at CBI, congregants are entitled to High Holiday tickets. Tickets will be issued to all persons who sign up in advance to attend services in the Sanctuary. Please note that there will be a capacity limit at all indoor services, so make your reservations early but please respond by August 29. It is vital that you note in your sign-up the number of people who will accompany you.

Please [CLICK HERE](#) for our online form.

Bring your tickets with you to expedite your entry into the expanded sanctuary from the parking lot entrance. If you forget your tickets, we will be checking our registration list. You do not need tickets to attend any outdoors services.

In keeping with the tradition of our congregation, there are no reserved seats. If you require special accommodations, please contact the office. Social distancing will be arranged by the ushers on premises.

We will not be charging for extra guests during the High Holidays this year due to Covid; however, CBI always appreciates your generosity.

If not attending in person, there are many opportunities to join our community in prayer throughout the holidays including outdoor services and streaming/Zoom. All services that take place in the Sanctuary will be available through YouTube or on Zoom. Outdoor services in the parking lot will also be available on Zoom. Check the CBI website or watch for announcements for Zoom IDs. YouTube can be accessed by going to www.youtube.com and typing "congregation b'nai israel millburn nj" in the search box. No tickets are required and all are welcome.
