This special edition of the chanting circle is going wordless! What is a nigun if not a chant without words? Like chant, the nigun is powerful centuries-old way of accessing a spiritual sensibility not otherwise readily available to us. While our niguns will be contemporary, what they bring out is timeless!

The intention of chanting is to awaken the divine in our hearts. It can soothe the mind and at the very least is simply fun to do! No prior knowledge of Hebrew or singing ability necessary ... only a willingness to join in spiritual community.
