

# CBI Sisterhood Rosh Chodesh Program

## Virtual Tenement Museum Tour

Tuesday, January 24, 2023, 6:30 – 7:30 pm

This virtual experience features a Jewish American family and their 1950's tenement home at 103 Orchard Street. Visit the home of the Epstein family in the 1950s, where Kalman and Rivka Epstein lived after arriving as Holocaust survivors. Explore how they raised daughters in the city, and how the family found support and belonging in an increasingly diverse neighborhood.

- Educators and experts connect the themes of identity, community building, and cultural adaptation
- Guests will learn about families who lived in the historic buildings on the Lower East Side through video, oral histories, archival images, and historical documents.
- A Q&A session is built into programs via chat or audio
- There is a charge to Sisterhood, but you are our guests, so RSVPs are required
