Zichronam Livrachah

We remember with love...

*These names which are inscribed in our Memorial Book
will remain in our hearts forever.*

Zichronam Livracha.

We remember with love...

We Remember Them

At the rising of the sun and at its going down,
we remember them.

*At the blowing of the wind and in the chill of winter,
we remember them.*

At the opening of the buds and in the rebirth of spring,
we remember them.

*At the shining of the sun and in the warmth of summer,
we remember them.*

At the rustling of the leaves and in the beauty of autumn,
we remember them.

*At the beginning of the year and at its end,
we remember them.*

As long as we live, they too will live;
for they are now a part of us,
as we remember them.

*When we are weary and in need of strength,
we remember them.*

When we are lost and sick at heart,
we remember them.

*When we have joy we crave to share,
we remember them.*

When we have decisions that are difficult to make,
we remember them.

*When we have achievements that are based on theirs,
we remember them.*

As long as we live, they too will live;
for they are now a part of us,
as we remember them.

We remember with love...

Grief

I had my own notion of grief.

I thought it was a sad time

That followed the death of someone you love.

And you had to push through it

To get to the other side.

But I'm learning there is no other side.

There is no pushing through.

But rather,

There is absorption.

Adjustment

Acceptance.

And grief is not something that you complete.

But rather you endure.

Grief is not a task to finish,

And move on,

But an element of yourself -

An alteration of your being.

A new way of seeing.

A new definition of self.
