

**ISRAEL KEHILLA DISCUSSION GROUP**  
**FRIDAY, JANUARY 10, 2025**  
**11 A.M. - 12 NOON • CBI LIBRARY**

The CBI Israel Kehillah Discussion Group is off to a great start! We created a community (*Kehillah*) where we can share our experiences navigating the challenges from the past 15 months. At our first meeting the group discussed why they decided to attend and highlighted several areas that were of particular concern to them. We all agreed that we would like to keep this going! New attendees and walk-in's are welcome.
