

ISRAEL KEHILLA DISCUSSION GROUP

Friday, February 28

11 a.m. - Noon • CBI Library

We created a community (Kehilla) where we can share our experiences navigating the challenges from the past 15 months. The conversations have been very supportive and we all agreed that we'd like to keep this going! New attendees and walk-ins are welcome. Come ready to discuss issues, thoughts, and concerns you have.

**Please RSVP to Michelle Daniel at
