

CELEBRATE BEING

Jewish!

IN CBI'S K-2 PROGRAMS

Begins Sunday, September 14

The best way to build a positive Jewish identity is to start a Jewish “learning and doing” program young!

Enroll your children in our wonderful and fun Sunday programs for grades K, 1 & 2. We'll help your child develop Jewish friendships, recognize the Jewish values they use daily, and feel proud about making a difference through acts of kindness in the community!

Your child will enjoy:

**Creative arts • Music • Games • Dance •
Cooking • Storytime...and more!**

For more information:
